### ALTO Aviation expands their onsite custom tuning team with the incorporation of Mike Nedoroscik as Audio Systems Engineer.

Sterling, MA. December 13, 2016.

ALTO Aviation, premier supplier of high-end cabin audio & entertainment systems for business aviation, is pleased to announce the appointment of Mike Nedoroscik as Audio Systems Engineer, joining the ALTO Aviation engineering team located in Sterling, MA.

A graduate from Northeastern University, Nedoroscik comes to ALTO Aviation with extensive and successful experience in electro-acoustic design, system modeling and simulation, prototyping, acoustic testing and regulatory procedures.

Nedoroscik will be responsible for tuning aircraft audio systems through acoustic measurement and analysis of cabin in all aircraft platforms for business aviation, being also involved in designing, troubleshooting and implementing new audio systems, including PA and cabin management systems.

"We are very excited to welcome Mike to our Audio Systems and Custom Tuning Team. Mike brings very valuable audio industry experience, a skilled understanding of the acoustical challenges of each cabin in business aviation, and a deep commitment toward serving and exceeding the expectations of each one of our customers." Steve Scarlata, ALTO Aviation VP of Engineering / R&D said.

#### **About ALTO Aviation**

ALTO Aviation is the premier supplier of high-end cabin audio & entertainment systems for business aviation, which are offered as standard equipment on Gulfstream G650, G450/550 Elite Series, G280, Falcon F7X, F900, F2000, Embraer Lineage, Legacy 650, 600, 500, 450, Cessna Citation X, Sovereign, Latitude, and Sikorsky S-92, and S-70. ALTO is the preferred choice for after-market and retrofit installations for all business aircraft, small to large. All of our systems hold TSO certification.

Every ALTO audio system is custom designed and acoustically contoured specifically for each cabin installation. ALTO amplifiers and loudspeakers are expertly engineered to provide the highest level of sound performance at 40,000 feet, using the latest in digital technology. As a result, every passenger in the cabin gets transported into a powerful audio experience that rivals the best home and theater systems.

Everyone at ALTO is passionate about state-of-the-art sound, and our company is fully committed to providing each client with outstanding customer service and 24/7 support. ALTO Aviation corporate headquarters are located in Sterling, MA. The Engineering and R&D offices are located in Jupiter, FL. ALTO has Sales representation in Little Rock, AR, and Engineering Support for Europe in Stuttgart, Germany. All of our systems are proudly designed, engineered, and manufactured in the US and distributed worldwide.

If you would like more information or would like to schedule an interview with one of our ALTO Aviation representatives, please contact Cristina Scarlata at 978.466.5992 / [cscarlata@altoaviation.com](mailto:cscarlata@altoaviation.com).
