## ALTO Aviation appoints Rafael Vazquez as new Quality Assurance Manager.

Sterling, MA. September 29, 2015.

ALTO Aviation is pleased to announce the appointment of Rafael Vazquez as the Company's Quality Assurance Manager, joining the ALTO Aviation team located in Sterling, MA.

Mr. Vazquez joins ALTO Aviation after twenty eight years of extensive experience in Quality Assurance Management positions in manufacturing industries, including aerospace. Prior to ALTO Aviation, Mr. Vazquez held Quality Assurance Management positions with ATI Flowform Products and CSI Mfg., with an extensive array of responsibilities including management and overall organization of QC departments, Quality Assurance Project Plans, Product and Document Inspection, Audits, Corrective Action systems, Inspection Plans and Risk Assessments, among others.

"We are very excited to have Mr. Vazquez joining the ALTO Aviation team. Mr. Vazquez brings a wealth of experience and multiple professional certifications in quality processes and procedures that will be of great value as the company evolves and expands its product offering, to assure our continued commitment to unrivaled product quality and customer service to each one of our clients", Don Hamilton, President of ALTO Aviation said.

### **About ALTO Aviation**

ALTO Aviation is the premier supplier of high-end cabin entertainment systems for business aviation, which are offered as standard equipment on Gulfstream G650, G450/550 Elite Series, G280, Falcon F7X, F900, F2000, Embraer Lineage, Legacy 650, 600, 500, 450, Cessna Citation X, Sovereign, Latitude, and Sikorsky S-92, and S-70. ALTO is the preferred choice for after-market and retrofit installations for all business aircraft, small to large. All of our systems hold TSO certification.

Every ALTO audio system is custom designed and acoustically contoured specifically for each cabin installation. ALTO amplifiers and loudspeakers are expertly engineered to provide the highest level of sound performance at 40,000 feet, using the latest in digital technology. As a result, every passenger in the cabin gets transported into a powerful audio experience that rivals the best home and theater systems.

Everyone at ALTO is passionate about state-of-the-art sound, and our company is fully committed to providing each client with outstanding customer service and 24/7 support. ALTO Aviation corporate headquarters are located in Sterling, MA. The Engineering and R&D offices are located in Jupiter, FL. ALTO has Sales representation in Little Rock, AR, and Engineering Support for Europe in Stuttgart, Germany. All of our systems are proudly designed, engineered, and manufactured in the US.
