

ALTO-Bose® QC-15 Headphone Alto P/N 200700

Product Info

Enjoy high quality sound from one of the most recognized names in the industry. Alto Aviation has partnered with the Bose Corporation to supply a private labeled QC-15.

The QC-15 is a high quality headphone with active noise cancellation technology, combined with Bose® sound. It features a comfortable around the ear style cup, a fold flat design and a slim carrying case. This setup includes a standard 1/8" (3.5mm) jack for headphone connections.

The ALTO-Bose® QC-15 headphone is a customized version of the Bose® QC-15 headset. On the ear cup, the ALTO version features the ALTO Aviation and Bose® logos on it. The carrying case has a clear window on the front with both ALTO Aviation and Bose® logos. The clear windows help aid in the recovery of the headphones to make sure they have been returned to their case.

Product Warranty

For each shipment, a Certificate of Conformance will be provided with serial numbers of all units shipped. ALTO will warrant the product against defects in materials and workmanship for a period of 1 year from the date of delivery. In the event of a defect, malfunction, or failure during the warranty period, ALTO will, at our sole option, repair or replace any defective part at no charge for the part. ALTO shall not be liable for any special, consequential or excessive damages.
