

ALTO FABRICATION RELIABLE PRECISION METAL FABRICATION

800.814.0123 / info@altoaviation.com

ABOUT ALTO FABRICATION

ALTO Fabrication, formerly known as MTM Sheet Metal has been providing the most reliable and highest quality Sheet Metal Fabrication to its customers for over 40 years.

The family-owned company started its operation in Hanson, MA in a small shop servicing local companies. Later it was relocated to Clinton, MA for the past 20 years. After the retirement of MTM Sheet Metal's founder, ALTO Fabrication brought the operation into a state-of-the-art facility located at ALTO Aviation's headquarters in Sterling, MA.

ALTO Fabrication is a subsidiary of ALTO Aviation, the premier supplier of high end cabin audio systems for Business Aviation, specializing in precision production and prototyping of small to medium quantities, successfully delivering the most outstanding quality in precision fabrication to our customers in aerospace, military, business and general aviation, commercial and trade services, medical, and many other industries.

FABRICATION SPECIALTIES

ALTO Fabrication provides a wide range of high-end custom fabricated products:

- Chassis
- Boxes & Enclosures
- Brackets
- Small Parts
- Panels
- Assemblies
- Welded & Fabricated items
- Other custom products

Our custom shop is well-suited for small to medium production runs that are cut, sheared, punched, bent, drilled, welded, and galvanized. Delivery and shipping options are available.
