

# Aircraft Page/Chime 2.5" (57mm) Loudspeaker P-02

The P-02 is a small, high output loudspeaker for cockpit or cabin communication systems. Smooth frequency response eliminates the need for frequency equalization for superior intelligibility with voice paging.

## FEATURES

- Weighs only 6.2 ounces
- Only 1.41" deep
- Small package allows for easy installation
- Smooth frequency response
- Superior intelligibility

## SPECIFICATIONS

- Product Code 105145
- Frequency Response 150Hz - 20KHz
- Impedance 4 Ohm nominal
- Max. Power Rating 25 Watt RMS
- Sensitivity 87 dB SPL @ 1W/1m
- Storage Temp -40 to +80 C
- Operating Temp -20 to +60 C
- Dimensions 2.76"W X 2.76"H X 1.41"D  
70.1mm W X 70.1mm H X 35.8mm D
- Mating Connector Fast-on/Solder Terminals  
+ terminal = 205 size  
- terminal = 110 size
- Weight 6.2 oz (175g)
