### ALTO Aviation expands its Engineering and R&D team with the incorporation of Eugenio Penate as Electrical Engineer.

Sterling, MA. October 30, 2015.

ALTO Aviation is pleased to announce the appointment of Eugenio Penate as Electrical Engineer, joining the ALTO Aviation Engineering and R&D team led by Steve Scarlata, VP of Engineering and R&D. Penate will be located at the ALTO Jupiter facility in Florida.

Penate comes to ALTO Aviation with extensive international experience in embedded systems design and RTOS with ARM processors, Firmware programming, PCB design, manufacture and assembly, Analog, Digital, and Mixed signal PCB layout techniques using Altium Designer, RF and Microwave PCB layout techniques using ADS Momentum, PCBs manufacturing process using chemical and CNC milling line and iOS programming.

"We are very excited to welcome Eugenio to our R&D team. Penate brings a wealth of experience in digital signal processing, a deep intuitive knowledge in the design of electronic circuits, robotics, microcontroller architecture and avionics that will be a great asset to ALTO's R&D team" Steve Scarlata, VP of Engineering and R&D at ALTO Aviation said.

#### **About ALTO Aviation**

ALTO Aviation is the premier supplier of high-end cabin entertainment systems for business aviation, which are offered as standard equipment on Gulfstream G650, G450/550 Elite Series, G280, Falcon F7X, F900, F2000, Embraer Lineage, Legacy 650, 600, 500, 450, Cessna Citation X, Sovereign, Latitude, and Sikorsky S-92, and S-70. ALTO is the preferred choice

for after-market and retrofit installations for all business aircraft, small to large. All of our systems hold TSO certification.

Every ALTO audio system is custom designed and acoustically contoured specifically for each cabin installation. ALTO amplifiers and loudspeakers are expertly engineered to provide the highest level of sound performance at 40,000 feet, using the latest in digital technology. As a result, every passenger in the cabin gets transported into a powerful audio experience that rivals the best home and theater systems.

Everyone at ALTO is passionate about state-of-the-art sound, and our company is fully committed to providing each client with outstanding customer service and 24/7 support. ALTO Aviation corporate headquarters are located in Sterling, MA. The Engineering and R&D offices are located in Jupiter, FL. ALTO has Sales representation in Little Rock, AR, and Engineering Support for Europe in Stuttgart, Germany. All of our systems are proudly designed, engineered, and manufactured in the US and distributed worldwide.

If you would like more information or would like to schedule an interview with one of our ALTO Aviation representatives, please contact Cristina Scarlata at 978.466.5992 / [cscarlata@altoaviation.com](mailto:cscarlata@altoaviation.com).
