ALTO Aviation expands its Cabin Audio Systems Production division with the incorporation of Michael Casasanto as Production Manager.

Sterling, MA. May 25, 2016.

ALTO Aviation, premier supplier of high-end cabin audio & entertainment systems for business aviation, is pleased to announce the appointment of Michael Casasanto as the company's new Production Manager, joining the ALTO Aviation Production team located in Sterling, MA.

Casasanto comes to ALTO Aviation with more than twenty five years of extensive leadership experience in production management, production control, distribution and delivery fulfillment, overseeing daily logistics, scheduling, and team management of large-scale organizations.

"We are very excited to welcome Michael to our Cabin Audio Systems Production team. Casasanto brings a proven wealth of experience coordinating and implementing procedures and process improvements that will be a great asset to continue maximizing efficiency and productivity in the company" Don Hamilton, President of ALTO Aviation said.

About ALTO Aviation

ALTO Aviation is the premier supplier of high-end cabin audio & entertainment systems for business aviation, which are offered as standard equipment on Gulfstream G650, G450/550 Elite Series, G280, Falcon F7X, F900, F2000, Embraer Lineage, Legacy 650, 600, 500, 450, Cessna Citation X, Sovereign, Latitude, and Sikorsky S-92, and S-70. ALTO is the preferred choice for after-market and retrofit installations for all business aircraft, small to large. All of our systems hold TSO certification.

Every ALTO audio system is custom designed and acoustically contoured specifically for each cabin installation. ALTO amplifiers and loudspeakers are expertly engineered to provide the highest level of sound performance at 40,000 feet, using the latest in digital technology. As

a result, every passenger in the cabin gets transported into a powerful audio experience that rivals the best home and theater systems.

Everyone at ALTO is passionate about state-of-the-art sound, and our company is fully committed to providing each client with outstanding customer service and 24/7 support. ALTO Aviation corporate headquarters are located in Sterling, MA. The Engineering and R&D offices are located in Jupiter, FL. ALTO has Sales representation in Little Rock, AR, and Engineering Support for Europe in Stuttgart, Germany. All of our systems are proudly designed, engineered, and manufactured in the US and distributed worldwide.

If you would like more information or would like to schedule an interview with one of our ALTO Aviation representatives, please contact Cristina Scarlata at 978.466.5992 / cscarlata@altoaviation.com.
