ALTO Aviation earns a Gulfstream 2015 Supplier of the Year Award.

Sterling, MA. June 29, 2016.

ALTO Aviation, the premier supplier of high-end cabin audio & entertainment systems for business aviation, is pleased to announce that Gulfstream Aerospace has recognized the company with a prestigious Gulfstream Supplier of the Year award for 2015.

Gulfstream Aerospace, a subsidiary of General Dynamics, is recognized as the world's premier builder of high performance business aircraft, for which ALTO supplies premium cabin audio systems for the G650/650ER, G500/600, G450/550 Elite, and G280 aircraft.

The award was presented to Don Hamilton, President of ALTO Aviation, at the 2016 Gulfstream Operators & Suppliers Conference, which was held from June 5-9 at the aircraft manufacturer's home city of Savannah, Georgia, USA.

The Supplier of the Year award is given for outstanding support to Gulfstream's growing operations. Gulfstream issues these awards bi-annually to recognize suppliers who have achieved superior performance. Award selection is based on the Gulfstream Supplier Report Card measurement criteria, which tracks overall value, delivery, quality, customer service and compliance for select Gulfstream suppliers.

"It's a tremendous honor for the entire ALTO team to be recognized by an industry leader for our commitment to exceeding our customers' expectations. This award from Gulfstream recognizes and validates our efforts in providing the highest quality innovative products along with continuous improvements in providing excellent delivery, overall value, and customer service." Don Hamilton, President of ALTO Aviation, said.

About ALTO Aviation

ALTO Aviation is the premier supplier of high-end cabin audio & entertainment systems for business aviation, which are offered as standard equipment on Gulfstream G650/650ER, G500/600, G450/550 Elite Series, G280, Falcon F7X, F900, F2000, Embraer Lineage, Legacy 650, 600, 500, 450, Cessna Citation X, Sovereign, and Latitude. ALTO is the preferred choice for after-market and retrofit installations for all business aircraft, small to large. All of our systems hold TSO certification.

Every ALTO audio system is custom designed and acoustically contoured specifically for each cabin installation. ALTO amplifiers and loudspeakers are expertly engineered to provide the highest level of sound performance at 40,000 feet, using the latest in digital technology. As a result, every passenger in the cabin gets transported into a powerful audio experience that rivals the best home and theater systems.

Everyone at ALTO is passionate about state-of-the-art sound, and our company is fully committed to providing each client with outstanding customer service and 24/7 support. ALTO Aviation corporate headquarters are located in Sterling, MA. The Engineering and R&D offices are located in Jupiter, FL. ALTO has Sales representation in Little Rock, AR, and Engineering Support for Europe in Stuttgart, Germany. All of our systems are proudly designed, engineered, and manufactured in the US and distributed worldwide.

If you would like more information or would like to schedule an interview with one of our ALTO Aviation representatives, please contact Cristina Scarlata at 978.466.5992 / cscarlata@altoaviation.com.
