## PRESS RELEASE

June 21, 2022

### **ALTO Aviation welcomes Brandon Klisit as Senior Technical Sales Manager.**

ALTO Aviation, a leader in certified cabin audio systems and cabin control for all aircraft in Business Aviation, is pleased to announce that Brandon Klisit has joined the company as Senior Technical Sales Manager. Klisit will report directly to Kevin Hayes, ALTO Aviation VP of Sales & Marketing.

Prior to joining ALTO, Brandon Klisit was Avionics Sales Manager with StandardAero, where he worked since 1999. Prior professional experience includes IFR Avionics, Ameriflight, and Gulfstream Aerospace, in addition to serving in the U.S. Marine Corps.

Brandon has extensive experience as an avionics installer, avionics technician, avionics crew chief, and avionics system engineer, with a deep knowledge of avionics system integration engineering, certification, installation, and operational checkout and troubleshooting on a wide variety of Business Jet aircraft. Additionally, Brandon is involved with emerging technologies in the aviation industry, specifically cabin management, IFE, and connectivity solutions.

"We are thrilled to welcome Brandon Klisit to the ALTO Team. Brandon is a highly respected professional in our Business Aviation industry, with a wealth of experience in avionics, troubleshooting, and impeccable customer support. I am confident that Brandon will be a perfect fit for our aftermarket sales team. We look forward to the new opportunities that will be created as a result of Brandon joining ALTO." says Kevin Hayes, ALTO Aviation VP of Sales & Marketing.

"Working for an MRO provider, I have developed a great working relationship with the terrific team at ALTO over the last fifteen years. I have always been impressed with the innovative ideas and products that ALTO offers, along with their quality and commitment to customer service. ALTO offers solutions that integrate with existing cabin system architecture to give clients the most bang for their buck. I have always been a fan of this unique approach. I am thrilled to have joined this terrific team and excited to take part in our continued growth and success! " states Kiplit.

## **About ALTO Aviation**

ALTO Aviation is an aerospace industry leader in premium cabin sound. Our team designs, manufactures, and distributes tailored certified cabin audio systems and Cabin Management for all aircraft types in Business Aviation. Our solutions include Digital Surround Sound, Immersive 3D audio, VIP seat optimization, PA/Chime Systems, Bluetooth® audio, Cadence™ Cabin Management System, direct replacement Passenger Controls, and ALTO cabin control app. All our products are FAA TSO-C139 approved, sold to most major OEMs, and successfully installed by leading MRO companies worldwide. ALTO cabin systems engineers tune each cabin onsite for maximum installation optimization. Over 5,000 business jets fly with ALTO Aviation components. ALTO also manufactures precision sheet metal and machined parts for aerospace and multiple high-standard industries.
